80,000 HOURS

How to become a better applicant in one week

80,000 HOURS AND AARON GERTLER

MAY 22, 2026

Most of our advice helps you play the long game: deciding what to work on, finding a fellowship, or building a network from scratch.

This article is about **right now** — what you need to become a better applicant for the hundreds of handpicked roles on our job board, within the next week.

As a writer for 80,000 Hours, Coefficient Giving, and the Centre for Effective Altruism, I've worked on seven hiring rounds, read over a thousand resumes, and given personal career advice to roughly one hundred people.

I'm qualified to talk about three things:

- What applicants do that makes me pay attention (or stop paying attention)
